

Welcome Back!

We're really excited to welcome you and your family back to church on Sunday. There are going to be some changes to the way our services run to keep us all safe. Here are some things you might like to talk through as a family before returning.

What will look different in church?

- Social distancing will mean people will need to sit further apart in church.
- We will need to make sure we wash our hands.
- We will need to keep our distance and follow directions.
- People will not be able to touch, hug, shake hands or get close like we want to.
- Children will need to stay with their families.

How will our service sound different?

- We will not be singing together during the service, but we might listen to music.
- We won't be going to our Sunday school group, but there will be a special talk for us.
- Make sure you bring pens/pencils with you because there will be a special sheet to do during the service.

How do these changes make you feel?

What might you find difficult?

What is your favourite thing about church normally?

If your favourite part of the Sunday Service is not happening at the moment, why not think about doing one these activities as a family during the week?

Fellowship

Write a letter and send some friendly post to somebody else from church?
Arrange a socially distanced time of fellowship with another family?

Sunday School

Think of a fun game or activity you could do together at home linked to the Sunday talk you heard.
Think of a challenge to share with other families.

Singing

Put on some worship music when you are at home and have your own time of singing and praising God together.
